★☆★ MESSAGE

Try the challenge of making a "sensually aesthetic" manga!! is what my manager and others were waiting for, so this manga was born.

The result was that I drew a delicate (the following is the writer's parenthesis) (timid *laughs*) male who is my type, and in the end I ended up being a novice at drawing teachers. But I felt inside that "I'll draw him with all my might", so it is a precious piece. Please, definitely tell me your impressions and so on!!

And so, my first comic "Kimi no Junjou Boku mo Hannou" is on sale too.

There are sketches as well, so please go there too <3

Nakahra Migiwa is from having sense of

still really far away her own aesthetics.

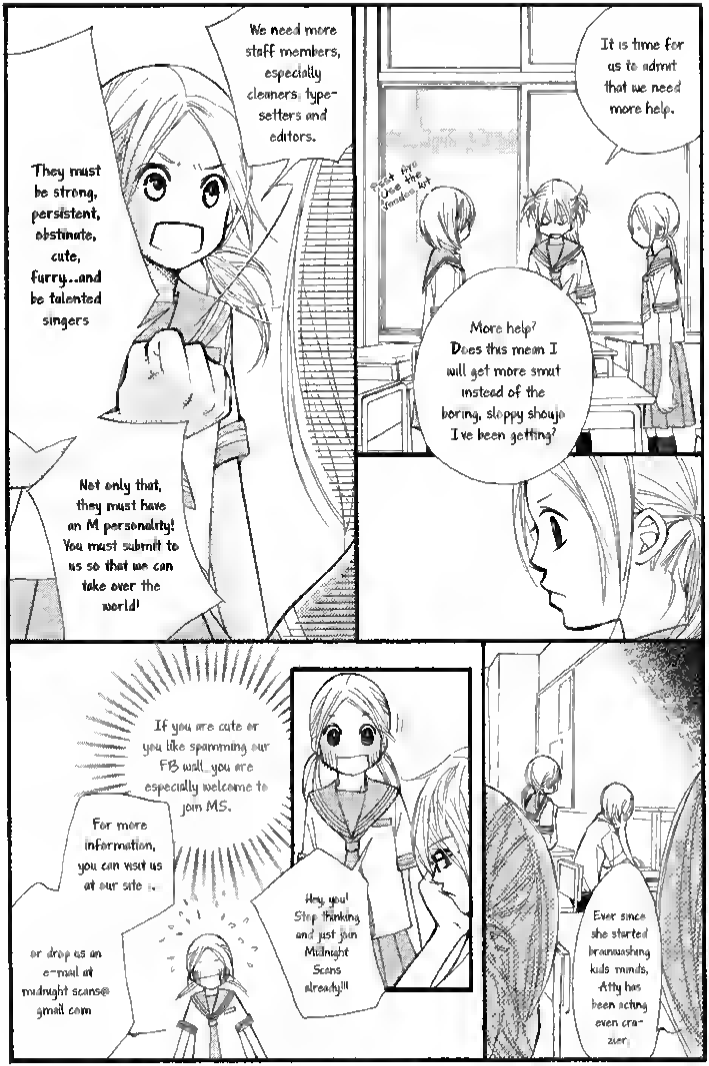
MidnightScans

http://www.sapphus.net/ms site



We need more staff members, especially cleaners, typesetters and editors.
They must be strong, persistent, obstinate, cute, furry...and be talented singers
Not only that, they must have an M personality! You must submit to us so that we can take over the world!
It is time for us to admit that we need more help.
Point Five: Once the Seniors left
More help? Does this mean I will get more smut instead of the boring, sloppy shoujo I've been getting?
If you are cute or you like spamming our FB wall, you are especially welcome to join MS.
For more information, you can visit us at our site :-
or drop us an e-mail at midnight scans@ gmail com
Hey, you! Stop thinking and just join Midnight Scans already!!!
